

Dear Valued Client,

We are pleased to announce that effective April 19, 2018, Docutrend Imaging Solutions has merged American Duplicating Products (ADP) into its operations. As part of this agreement, Docutrend will now be providing all support related to your Konica Minolta & KIP imaging equipment.

ADP and its owners, Ken Borow, Hugh Borow & Lou Panna, selected Docutrend because of its shared vision of providing world class products and services. All maintenance agreements, lease and rental agreements will continue to be fulfilled by Docutrend's seasoned and professional staff of sales, service and administrative personnel. Most of the former ADP employees have accepted positions with Docutrend and you will not experience any interruption in services.

Docutrend, founded in 2002, specializes in helping businesses control their printing and document costs through innovative software and hardware solutions. With 4 locations in NYC, NJ and PA, it is one of the fastest growing businesses in the area.

We are all extremely excited to welcome you to the Docutrend family and will be reaching out to you over the coming weeks to schedule account reviews. It is our goal to make sure that this transition process happens as seamlessly as possible and are confident that we will meet or exceed your expectations. We look forward to continuing the tradition of excellent service that you have enjoyed with ADP.

Below you will find additional contact information and information about Docutrend's additional products and services.

If you have any questions or concerns about this transition, do not hesitate to contact me directly at (646) 293-1708 or via email at arubin@docutrend.com

Sincerely,
